MESSAGE

Founder

**Lt. THAKUR SINGH
(FOUNDER)**

It has been my endeavour to provide an environment that fosters curiosity, encourages learning and the pursuit of excellence. Through our sustained efforts over the many years, I strive for excellence in the holistic development of our pupils with values, innovation and knowledge. Through our sustained commitment to add value to our pupil's life, I believe the true meaning of education goes beyond the conventional curriculum.

I recognize the importance of creating a conducive environment for our pupils, to lay a strong foundation based on principles and inculcate the right values to transform our pupils into productive members of society. As an educator I had an earnest desire to build up an institution where an education blended in all colors of human values could be given and today I feel proud to say that my lofty dream of a quality institution is taking shape through it.

I have always believed that, "Excellence is never an accident; it's always the result of high intention, sincere efforts, intelligent direction and skillful execution." These words of wisdom best describe the present state of the Raj Global Academy.

Patron

**MRS. CHANDRAWATI DEVI
(Patron)**

We believe the quality and nature of a child's early experiences in life lay the foundation and brain architecture for all the learning and behaviour that follows.

And we cherish our role to deliver joyful, holistic, child-centric and developmentally appropriate learning experiences at this critical stage of a child's life.

Our approach is based upon three pillars: quality education, quality teachers and partnership with parents and the community. We see children as active protagonists in their own learning. Moving away from the traditional outlook of seeing children as blank slates to individuals full of great potential helps us in structuring our programmes.

Our curriculum is designed under a leadership and curriculum team comprising Harvard, IIT and IIM alumni, is intended to enable children to flourish academically, personally, socially and emotionally.

MESSAGE

Chairman

Raj Global Academy is the premier institution with a focused mission to inculcate the spirit of lifelong learning in students and empower them to respect and embrace culture and philosophy of our neighboring fellow countries. Standing true to our vision of providing multi-dimensional foreign education programs to instill global approach of learning is one of the primary objectives of our institution.

The school also aim to awaken society to aspire and desire realistic approach towards education. The school commits all its students to provide world class education, nurture their talent and teach them to reach their maximum potential, train them with lifelong practical skills enabling them to face the complex problems of the ever changing world and come out as winners.

World Class Infrastructure & Educational Facilitation with affordability, Accreditation with International Bodies and Association with World Leaders in Education Excellence are some attributes that makes our schooling experience a unique one. We lay emphasis on education with spiritual values and productive critical thinking.

I wish every learner to become highest achiever in both education and practical life.

MESSAGE

Director

Teachers create gardens in their classrooms. They grow "love," "hope," "learning," and "joy." At Raj Global Academy, the child is the nucleus of the entire teaching learning process. Here the teacher is a facilitator and an equal partner in the entire journey of a child's quest for knowledge therefore we call them Mentors. Every possible care is taken to ensure that our mentoring staff is of the highest possible quality in terms of dedication, talent and passion.

The role of mentors extends much beyond classroom teaching. Mentors at Achievers are accessible to parents and students alike for one-to-one consultations, are helpful in addressing individual educational needs and eager to help. The comparatively small size of each class enables our mentors to give enhanced attention to each student.
